Dear Scott,

On behalf of the City of Frisco, I want to congratulate you on the unanimous vote ZapStand, LLC received at our City Council meeting last evening for the deployment of 10 ZapStand Emergency Kiosks throughout Frisco Community Parks and prominent public places. My colleagues in Frisco city leadership and I are looking forward to seeing the ZapStand units across Frisco in the Fall of 2019.

Your ZapStand will no doubt save Frisco lives and contribute to our culture of excellence. As you know, we pride ourselves in being the “Best Place to Raise a Family” and, with your help, will be able to proclaim Frisco the “Safest Place to Raise a Family” as well. As the fastest growing city in the entire Country, Frisco is proud to be a thought leader in technology, innovation, and entrepreneurship and I believe ZapStand and Frisco make a perfect match.

Thank you for choosing Frisco as your inaugural City for ZapStand’s roll out. The life-saving AED training and education you will provide to our community is welcomed and if I or city staff can be of any help to you as we roll out your program, please do not hesitate to contact me.

We are ecstatic to bring the ZapStand program to our citizens and are looking forward to a long and fruitful partnership with ZapStand, LLC. Welcome to Frisco!

Sincerely,

Jeff Cheney
